

CCIF Meeting Schedule 2012 & 2013

CCIF is a national forum that holds three meetings per year in different cities across the country. Those who depend on the collision repair industry are welcome at all meetings.

So take a look at the schedule of meetings and plan your travels with CCIF across Canada to listen and learn from others, to share ideas and to add your voice on the issues that matter to you, and, as you'll no doubt discover, to your fellow industry members everywhere.

CCIF Meeting Locations and Dates

2012
